Re: Freedom of Information Act
Request No. RIN 1176-87

Dear Mr. Householder:

This is in response to your Freedom of Information Act (FOIA) request referenced above, concerning the U.S. Scrap site in Chicago, Illinois.

Enclosed are the responses to the Information Request for the companies referenced in your letter. Also in response to your question, the Illinois Environmental Protection Agency (IEPA) employee who prepared the U.S. Scrap site report was M.W. Schroeder.

Also enclosed is a Bill for Collection in the amount of \$94.20. This covers photocopying and search time for the request. We confirmed the charges on December 1, 1987. This bill cannot be waived in the event the material is returned to the U.S. Environmental Protection Agency.

Please contact Alan Altur, of my staff, at (312) 886-0390 if you have any questions concerning this matter or are in need of further assistance.

Sincerely yours,

Mary A. Gade, Acting Chief
Emergency and Remedial Response Branch
